Invited: Martha McSally

The opioid crisis in America has taken a massive toll on communities across the country. It has devastated families, caused people to drop out of the workforce, and led to tens of thousands of deaths each year. How should policymakers respond to the crisis? How can we prevent abuse of legally prescribed opioids and end the trafficking of illegal opioids in our country? Join us for a discussion with members of Congress who have been fighting the opioid crisis in their communities back home and working on policies to help end the tragic proliferation and abuse of opioids in America.
